

Reading Supper

On Wednesday, 19th September 2018, Newport and Dawlish Schools had their first Reading Supper. Families could join in over a cup of hot chocolate, fruit, biscuits and snacks while reading books. There was a raffle at the end where several children each won a book.

Our Reading Supper initiative creates opportunities for families to read together. As part of our learning, we want to encourage and develop a love of reading in our pupils' daily lives.

“We read every day at home. My child’s favourite books are dinosaur books.” Parent.
