NEWS BULLETIN

8th February 2019

Notices

- What a wonderful week of learning and fun we have had this week. Year 2 and Year 3 have been busy cooking this week, as part of their half-termly DT cooking lessons. Year 2 have visited the Leyton Fire Station as part of their learning on fire safety, linked to the Great Fire of London. Thank you to all parents and carers who volunteered their time to help out.
- Year 2 have also had a special visit by Hannah Camm, a scientist, on Thursday. This was in preparation for the whole school Science day on Monday. The children learnt about viruses and germs and how they are spread- very important for this time of year!
- We also had a visit from Mr. Newman, an engineer, who came to speak to the children in both Y1-3 and Y4-6 assemblies. He also spent time in Yellow and Violet classes, in preparation for an engineering project they will be taking part in. *'I really enjoyed learning about the different types of engineers'* (Alize, Y5). *'My favourite part was using the walky talkies. I hope you can come back soon.'* (Sebastian, Y2)
- Thank you to both Ms. Camm and Mr. Newman for taking the time to speak to our children. It is very much appreciated and it has inspired many of the children to think about their future jobs.
- Our school weekly rolling attendance for this week is 93%. There continues to be a lot of sickness due to a sickness bug. Please see the following NHS website for further information and advice: <https://www.nhs.uk/conditions/diarrhoea-and-vomiting/>
- It was wonderful to see the hall and classrooms full for the Y3/4 Sharing Assembly this morning. The focus was 'writing' and we shared some of the 'Talk for Writing' strategies, which we learnt during our INSET last week. The presentation will be emailed to you and is on the school website.
- We will be holding a Science sharing assembly on Friday 15th February. This will be an opportunity for Y1-6 parents/ carers to come and see some of the Science learning which the children will be doing during Science Day. Y5/6 parents and carers will also have the opportunity to visit their child's classroom during the morning.
- Please remember that half term will take place on 18th- 22nd February
- See the following website for information about the Waltham Forest cultural events coming up.
<https://wfculture19.co.uk/welcome-to-the-forest>

Dates for Next Week
